The consideration of learners' interests - with a view to the English Lower Saxony Core Curriculum; 6. Conclusion; References; Appendices
Sommario/riassunto	There are several ways of enhancing students' motivation in the EFL classroom but an important one is to create the lesson on the basis of the learners' interests. Everyone who looks back on former school days, might remember that learning was more enjoyable when the topics were interesting and furthermore, when they were handled in an exiting way. The intention of this study is to present several ideas of improving the general motivation in the classroom. In addition to that, the current interests of students from German secondary schools and the consideration of the interests in the comm
