Charles Sanders Peirce and the recovery of Signum -- 16. Semiology: modernity's attempt to treat the sign -- 17. At the turn of the twenty-first century -- 18. Beyond realism and idealism: resume and envoi.

Sommario/riassunto

The first full-scale demonstration of the centrality of the theory of signs to the history of philosophy, *Four Ages of Understanding* provides a new vantage point from which to review and reinterpret the development of intellectual culture at the threshold of "globalization."
