Sommario/riassunto

Falcon Pocket Guide: Birds of the Rocky Mountains is a field guide to more than 250 of the most common and sought-after bird species in the region. Anatomically correct illustrations and detailed descriptions about each bird's prominent physical attributes and natural habitat make it easy to identify birds in your backyard, favorite parks, and wildlife areas. Informative and beautiful to peruse, this is the essential resource when you're out in the field. Falcon Pocket Guides are full-color, visually appealing, on-the-go guides for identifying plants and animals and learning about nature.
