From solidarity to betrayal : 1980-1989 -- The generation of 81 -- For our freedom and yours -- The generation of 89 -- Epilogue: The end of the classical student movement.
Sommario/riassunto	"The book presents a chronological narrative of student political activity in Communist Poland and discusses it both from the point of view of those who supported and those who opposed the regime while elaborating on generational change within the country's student milieu. It sheds light on lesser-known aspects of the history of Communist

Poland and shows that students played an important political role and that many known members of the country's elite emerged from the ranks of student activists"--Provided by publisher.
