Ndembu -- Appendix 10. Maps -- Appendix 11. Abridged Genealogy of the Kahona Family -- Notes -- References -- Index -- Backmatter

Sommario/riassunto

Experiencing Ritual is Edith Turner's account of how she sighted a spirit form while participating in the lhamba ritual of the Ndembu. Through her analysis, she presents a view not common in anthropological writings—the view of millions of Africans—that ritual is the harnessing of spiritual power.
