Nota di bibliografia Book Cover; Title; Copyright; CONTENTS Nota di contenuto Sommario/riassunto How do the mass media contribute to the social and economic advantages of the privileged and the subjection of African American women? Does America really care about providing equal opportunities for African American women? Passionately written and supported with detailed evidence this book shows the deeply rooted abiding cancer of oppresion in American society. It reveals the formal and informal ways in which African American women have been exluded from equal

participation before and after the time of slavery. It will shock many who complacently believe that America is already a land on e
