

1. Record Nr.	UNINA9910807365703321
Autore	Harman Gilbert
Titolo	Reliable reasoning : induction and statistical learning theory / / Gilbert Harman and Sanjeev Kulkarni
Pubbl/distr/stampa	Cambridge, Mass., : MIT Press, c2007
ISBN	1-282-09850-0 9786612098505 0-262-27497-3 1-4294-6561-1
Edizione	[1st ed.]
Descrizione fisica	1 online resource (118 p.)
Collana	The Jean Nicod lectures ; ; 2007
Altri autori (Persone)	KulkarniSanjeev
Disciplina	161
Soggetti	Reasoning Reliability Induction (Logic) Computational learning theory
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	"A Bradford book."
Nota di bibliografia	Includes bibliographical references (p. [99]-104) and index.
Nota di contenuto	The problem of induction -- Induction and VC dimension -- Induction and "simplicity" -- Neural networks, support vector machines, and transduction.
Sommario/riassunto	The implications for philosophy and cognitive science of developments in statistical learning theory.
