Sommario/riassunto	Revolution on My Mind is a stunning revelation of the inner world of Stalin's Russia, showing us the minds and hearts of Soviet citizens who recorded their lives in diaries during an extraordinary period of revolutionary fervor and state terror. Jochen Hellbeck brings us face to face with gripping and unforgettably poignant life stories. This book brilliantly explores the forging of the revolutionary self in a study that speaks to the evolution of the individual in mass movements of our own time.
