Traditions and Philosophical Models / Rosario Scannapieco -- A Non-Fideistic Interpretation of '\pistis\' in Plutarch's Writings: The Harmony Between '\pistis\' and Knowledge / George van Kooten -- The Colors of the Souls / Israel Muñoz Gallarte -- Bibliography / Lautaro Roig Lanzillotta and Israel Muñoz Gallarte -- Index locorum / Lautaro Roig Lanzillotta and Israel Muñoz Gallarte -- Index rerum / Lautaro Roig Lanzillotta and Israel Muñoz Gallarte -- Index nominum / Lautaro Roig Lanzillotta and Israel Muñoz Gallarte.

Sommario/riassunto

The works of Plutarch, notably his *Moralia*, provide us with exceptional evidence to reconstruct the spiritual and intellectual atmosphere of the first centuries CE. As a priest of Apollo at Delphi, Plutarch was a first hand witness of ancient religious experience; as a Middle Platonist, he was also actively involved in the developments of the philosophical school. Besides, he also provided a more detached point of view both regarding numerous religious practices and currents that were permeating the building of ancient pagan religion and the philosophical views of other schools. His combining the insider and the sensitive observer's perspectives make Plutarch a crucial starting point for the understanding of the religious and philosophical discourse of Late Antiquity.
