Sommario/riassunto	World War II Aviation-->. From 1941 to 1945 the skies over the Pacific Ocean afforded the broadest arena for battle and the fiercest action of air combat during World War II. It was in the air above the Pacific that America's involvement in the war began. It was in these skies that air power launched from carriers became a new form of engagement and where the war ultimately ended with kamikaze attacks and with atomic bombs dropped over Japan. Throughout the conflict American flyers felt a compelling call to supplement the official news and military reports. In vivid accounts written soon aft
