Sommario/riassunto	While most people believe that the movement to secure voluntary reproductive control for women centered solely on abortion rights, for many women abortion was not the only, or even primary, focus. Jennifer Nelson tells the story of the feminist struggle for legal abortion and reproductive rights in the 1960's, 1970's, and early 1980's through the particular contributions of women of color. She explores the relationship between second-wave feminists, who were concerned with

a woman's right to choose, Black and Puerto Rican Nationalists, who
were concerned that Black and Puerto Rican women have as...
