Sommario/riassunto	Editing is an art and it's not everyone's cup of tea. One has to have an extra eye to make out a seemingly right sentence, with a serious mistake deeply buried in it. A person drinking from the jar of editing should be equipped with the particular skill and up to date knowledge of his area of work. He should be innovative and creative, with always pursing fresh vistas of knowledge, through all the sources available. An editor is a person, who makes addition and edition is a person, who makes addition and edition on a well-written piece of literature, very often by renowned literary personalitie

Sommario/riassunto	<P>What does it mean to people around the world to put on costumes to celebrate their heritage, reenact historic events, assume a role on stage, or participate in Halloween or Carnival? Self-consciously set apart from everyday dress, costume marks the divide between ordinary and extraordinary settings and enables the wearer to project a different self or special identity. Pravina Shukla offers richly detailed case studies from the United States, Brazil, and Sweden to show how individuals use costumes for social communication and to express facets of their personalities.</P>
