#### Sommario/riassunto

---

A Concise Companion to the Romantic Age provides new perspectives on the relationships between literature and culture in Britain from 1780 to 1830. Provides original essays from a variety of multi-disciplinary scholars on the Romantic era. Includes fresh insights into such topics as religious controversy and politics, empire and nationalism, and the relationship of Romanticism to modernist aesthetics. Ranges across the Romantic era's literary, visual, and non-fictional genres.
