Sommario/riassunto	Pleasure-in-Relating is Susan Groves's first work, a culmination of many years' reflection. It spans her life in South Africa and time spent in England while weaving together her deep appreciation of the Buddhist and Christian traditions. Her training and experience in Core Process Psychotherapy is evident in her sensitivity to herself and those whose stories she shares. Her love for the part of Africa where she lives serves as an undertone which is present throughout her collection.
