assessment / Michael Atkinson, Amanda De Lisio -- Insights and investigations of the social legacies in the 2010 Winter Olympic Games : the Olympic Games impact (OGI) study / Robert VanWynsberghe, Caitlin Pentifallo.

Sommario/riassunto

This volume is part of the early systematic inquiry into the analysis of sport as a developmental device. The book features an international roster of global experts. The chapters represent three groups: theory and philosophy, empirical research in on-the-ground case studies, and those using circumspection to construct cases regarding evaluation.
