Sommario/riassunto	This book represents a collection of a selected papers from an international conference focusing on ""the right to happiness"", held in

Bucharest in December 2012, organized by Dimitie Cantemir Christian Bucharest University, the Romanian Academy's Research Institute for Quality of Life - Bucharest and the Romanian Institute for Human Rights - Bucharest. The analysis of happiness from the perspective of the quality of life is a unique development in human rights literature. This analysis...
