Sommario/riassunto

Investigating Terrorism takes a look behind the closed doors of terrorist cases. Major players from the world of counter-terrorism, including politicians, lawyers, psychologists and police, offer analyses of recent terror attacks and share their knowledge of terrorist behaviour. Deals with legal, psychological and practical issues surrounding how to deal with a real life 'ticking bomb' scenario. Provides an insight into the most recent police model for interviewing witnesses, victims and suspects. Contains the latest analyses of recent terrorist attacks including the recent Norwegian
