The case of marketing; An examination of the globalisation of authorship in publishing in 20 leading marketing journals; The Pareto plus syndrome in top marketing journals: research and journal criteria; Academic publishing; On academic writing;
Sommario/riassunto	This e-book includes articles that address topics that contribute to the ongoing discussion and debate of academic journals and academic publishing. Academic journals provide a forum for scholars to communicate their research efforts and the interpretive views of their findings to others within and beyond the research community.
