UNINA9910808038203321 Autore Greene Jody Titolo The trouble with ownership: literary property and authorial liability in England, 1660-1730 / / Jody Greene Philadelphia, : University of Pennsylvania Press, c2005 Pubbl/distr/stampa **ISBN** 1-283-21166-1 9786613211668 0-8122-0209-0 Edizione [1st ed.] Descrizione fisica 1 online resource (283 p.) Collana Material texts Disciplina 820.9/3554/09032 Soggetti English literature - Early modern, 1500-1700 - History and criticism Liability (Law) - Great Britain - History - 17th century Liability (Law) - Great Britain - History - 18th century English literature - 18th century - History and criticism Copyright - England - History - 17th century Copyright - England - History - 18th century Authorship - History - 17th century Authorship - History - 18th century Lingua di pubblicazione Inglese **Formato** Materiale a stampa Livello bibliografico Monografia Note generali Bibliographic Level Mode of Issuance: Monograph Nota di bibliografia Includes bibliographical references and index. Nota di contenuto pt. 1. The trouble with ownership -- pt. 2. The dangerous fate of authors. Copyright and intellectual property issues are intricately woven into any Sommario/riassunto written work, but the precise nature of this relationship has plaqued authors, printers, and booksellers for centuries. What does it mean to own the products of our intellectual labors in our own time? And what was the meaning three centuries ago, when copyright laws were first put into place? Jody Greene argues that while "owning" one's book is critical to the development of modern notions of authorship, studies of authorial property rights have in fact lost sight of the most critical valence of owning in early modern England: that is, owning up to or taking responsibility for one's work. Greene puts forth what she calls a

"paranoid theory of copyright," under which literary property rights are

a means of state regulation to assign responsibility for printed works, to identify one person who will step forward and claim the work in exchange for the right to reap the benefits of the literary marketplace. Blending research from legal, historical, and literary archives and drawing on the troubled authorial careers of figures such as Roger L'Estrange, Elizabeth Cellier, Daniel Defoe, John Gay, and Alexander Pope, The Trouble with Ownership looks to the literary culture of early modern England to reveal the intimate relationship between proprietary authorship and authorial liability.
