Sommario/riassunto	Growing and Knowing is designed to meet the needs of professionals working with children and their books. Intended for use as a reference book for library assistants and librarians in children's libraries, school libraries, resource centres, and general reference libraries, it also will provide sound information for trainee librarians, teachers and parents. The primary function of this book is to serve as a guide to the selection of books for children, recognizing the vast range of books published and the individual rates of reading and social development of different children.
