Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di bibliografia	Includes bibliographical references and index.
Sommario/riassunto	In Applied Emblems in the Cathedral of Lugo , Carme Lopez Calderon deals with the emblematic programme found in the Chapel of Nuestra Senora de los Ojos Grandes (Galicia, Spain), consisting of 58 emblems painted c.1735. Making use of a wide range of printed sources, Carme Lopez Calderon delves into the meaning of each emblem and provides a convincing and compelling all-encompassing interpretation of this cycle, which can rightly be described as the richest and most complete programme of Marian applied emblematics in the Iberian Peninsula.
