Sommario/riassunto	Between 1450 and 1750 Europe underwent tremendous political, religious and cultural change - change which laid the foundations for the Europe we know today. Henry Kamen has compiled an accessible biographical guide to Europe in this most exciting of periods - the time of the Renaissance and the Reformation, the time of da Vinci and Erasmus, Elizabeth I and Oliver Cromwell. In over a thousand entries, which cover the whole of Europe and include politics, culture, religion and science, Professor Kamen and his international contributors, all experts in their field, shed new light on the key players in this extraordinarily rich and formative period of history.
