Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references.
Sommario/riassunto	This book invites a conversation among stakeholders of public education and conveys the need for a common vision for America's public schools. Amy Fast argues that we have never had a clear purpose for our schools and that now, more than ever, educators in America ache for a more inspiring purpose than simply improving results on standardized assessments.
