Lamb -- Multiple constructions of childhood / Jayanthi Mistry and Virginia Diez -- Spirituality and children : paying attention to experience / Daniel Scott -- The child as agent in family life / Leon Kuczynski and Susan Lollis -- Childhood's ends / John Willinsky.
Sommario/riassunto	"Covering a wide range of disciplines and perspectives, the essays in Multiple Lenses, Multiple Images are oriented around the idea that images of childhood can be understood within three dimensions: time, space, and discipline." "Multiple Lenses, Multiple Images is intended to deepen and expand the collaborative, interdisciplinary discourse on

children and childhood through reflections not just on what is known
about children, but on how it has been learned."--Jacket
