Sommario/riassunto	With the program of economic reform begun in China and the subsequent dramatic growth of its economy, as well as of private enterprise both Chinese and foreign, the commercial law of China has become of great importance. In this pioneering and comprehensive study, Gu Minkang provides a clear picture of the major topics in China's commercial law. With his wide knowledge of Chinese, American and European Union law, he adopts a comparative approach to enhance his analysis and to strengthen his readers' understanding. Recognizing that the Commercial Law is still in the process of formation, the aut
