Sommario/riassunto

On 1 January 2004, the US-Singapore Free Trade Agreement (USSFTA) came into force. The USSFTA was the result of a two-year negotiation process which started towards the end of the Clinton Administration and concluded under the Bush Administration. How did the negotiation process straddle the two administrations? What is the rationale for the FTA? What were the unique features of the negotiating process? Was negotiating with the US different from negotiating with other countries? How will the FTA benefit the two countries? What is the impact on ASEAN, APEC and the WTO? This book captures some of the
