Sommario/riassunto	This book covers nine countries of ASEAN and the East Asian area, including major Asian countries, and compares their respective policies to attract Foreign Direct Investments (FDI). Through comparative study of FDI promotion policies, this book will give policy makers in the area of FDI promotion an overview and comparison of the FDI policies of other countries. In addition, researchers at graduate, post-graduate or professional level will gain from the econometric methodology and

detailed definitions of various spillover effects (horizontal and vertical),
which will be beneficial to their
