Heroes on the Home Front : Firefighting in Wartime Culture -- 5. For Those in Peril on the Sea : the Merchant Navy in Wartime Culture -- 6. All In It Together? : Reflections on the Masculine Hierarchy.
Sommario/riassunto	Men at Work explores the cultural portrayal of four essential wartime occupations: agriculture, industry, firefighting and the mercantile marine. In analysing a broad spectrum of wartime media (most notably

film, radio and visual culture) it establishes a clear hierarchy of masculine roles in British culture during the Second World War.
