The Evolving Identity of a Lesbian Wife Appendix A. Interview Protocol Appendix B. Data Tables (Chapters 2-7); Bibliography; Index; About the Authors |
| Sommario/riassunto | This book shows how the first lesbians to marry in the United States are using or avoiding the word wife at this historic juncture when the definition of marriage is undergoing a shift. It will interest the LGBTQ community and its allies, political activists, feminists, and scholars of sociology, sociolinguistics, linguistic anthropology, and gender. |
