Sommario/riassunto	"Disgraced former priest Ramon is finally released from prison. But instead of feeling guilt and remorse he is bent on revenge against those who testified against him. Most are easy to find but there is one last piece missing in his puzzle: Andrea has moved to Edinburgh. As Andrea slowly realises her past has terrifyingly become her present, David Hidalgo finds himself in the middle of a problem he wasn't looking for once again. Can he halt Ramon's revenge or will there be further casualties?"--Page 4 of cover
