Sommario/riassunto	With his concept of "'O,'" Wilfred Bion provided a new psychoanalytic space in which to explore the mind. Dr Annie Reiner's new book, Bion and Being: Passion and the Creative Mind, examines the similarities between this psychoanalytic space and the artist's creative sensibility, as well as mystical and religious states. This most mysterious and revolutionary of Bion's analytic ideas reflects what is essentially a state of being, an experience of mental integrity and union between

emotional and rational functions of the mind which is the basis of thinking and creativity. In an effort to provi
