Nota di bibliografia	Includes bibliographical references (p. 225-237) and index.
Nota di contenuto	Sketching urban terrorism -- The evolution of urban terrorism -- The fear factor -- Terror's spaces : identity, haunts, and nodes -- Decontrolling territory -- Surveillance and shrinkage -- Sustaining local resilience -- Restoring a self-affirming city.
Sommario/riassunto	Written by a well-known expert in the field, this book draws on data from more than a thousand cities across the globe to trace the evolution of urban terrorism from 1968 to 2006. It also discusses local resilience--a city's capacity to bounce back from terrorist attack--and suggests how that can be sustained.
