Minnesota Archive Editions uses digital technology to make long-unavailable books once again accessible, and are published unaltered from the original University of Minnesota Press editions. More than half a century after his death, the work of Hart Crane (1899-1932) remains central to our understanding of twentieth-century American poetry. During his short life, Crane's contemporaries had difficulty seeing past the ""roaring boy"" who drank

come to be seen as a kind of ""last poet"" w

too much and hurled typewriters from windows; in recent years, he has
