Sommario/riassunto	This new edition of How to Succeed in Academics provides up-to-date mentoring on all aspects of a successful academic career, particularly a career in the sciences. Linda L. McCabe and Edward R. B. McCabe bring decades of expertise and experience to such topics as marketing your

ideas through posters, talks, manuscripts, and grant proposals; developing strategies for applying, interviewing, and negotiating for training programs and jobs; establishing professional networks and seeking leadership opportunities; improving your teaching, speaking, and writing skills; and setting goals and creating schedules to achieve them.
