Financing adaptation and mitigation in an unequal world -- pt. 6. Changing climate, changing institutions of governance.
Sommario/riassunto	The Berlin Workshop Series 2010 presents selected papers from meetings held September 28-30, 2008, at the eleventh annual forum co-hosted by InWEnt and the World Bank in preparation for the Bank's annual World Development Report. At the 2008 meetings, key researchers and policy makers from Europe, the United States, and developing countries met to explore the problems that climate governance poses for development, which are later examined in depth in the 'World Development Report 2010'. This volume presents papers from the Berlin workshop sessions on climate governance and development, covering
