| Sommario/riassunto      | "A pioneering "horror-punk" band, the Misfits are legends in their own time. This discography tells the story of the band in all of its incarnations through all of their recorded output-both official and unauthorized releases. Discographies are provided for both present and former members' solo projects and bands, along with a wealth of rare record sleeves, photos and vintage posters documenting the evolution of the band and the brand."-Provided by publisher"-- |
