Sommario/riassunto

Interviews with the professionals driving the rapid global growth of Islamic finance. Though the modern Islamic finance system has existed for more than forty years, its size and influence in the banking industry has expanded massively in just the last decade. This book looks at Islamic finance from the perspective of the experts shaping the industry, including some of the founders of the first Islamic banks-Haj Saeed Lootah, His Royal Highness Prince Mohamed Al Faisal Al Saud, and Sheikh Saleh Abdullah Kamel-as well as other professionals who have greatly influenced the industry
