| | Sommario/riassunto | This book is prepared for students of HR Management and attempts and to explain the theory behind Recruitment and Selection. The key questions to be asked before embarking on the Talent acquisition process are: What are you looking for? Where to find them? How to attract them? How to choose them? How to clinch the deal? What to do with them when they start? Answers to these questions can be arrived as if the process of Recruitment and Selection is followed. This process is explained through 12 chapters. |
