Sommario/riassunto	Sacred Strategies is about eight synagogues that reached out and helped people connect to Jewish life in a new way--congregations that had gone from commonplace to extraordinary. Over a period of two years, researchers Aron, Cohen, Hoffman, and Kelman interviewed 175 synagogue leaders and a selection of congregants (ranging from intensely committed to largely inactive). They found these congregations shared six traits: sacred purpose, holistic ethos, participatory culture, meaningful engagement, innovation disposition, and reflective leadership and governance. They write for synagogue leaders
