Sommario/riassunto	A timely guide to overcoming the retirement challenges we all face The Great Recession has placed a wake-up call to America's baby boomers. Many have not saved enough for retirement and have not taken a hard look at how many post-work years they may need to finance. Written in a straightforward and accessible style, The Hard Times Guide to Retirement Security tackles the tough questions about retirement in the new post-crash economy. Page by page, it puts retirement in perspective by touching on important issues such as insuring against the risk of outliving your assets, recalibrati
