Sommario/riassunto	The five chapters of this volume focus on the complex and tumultuous events occurring in Russia during the five months from May through September 1999. They sparked the Russian invasion of Chechnya on 1 October and vaulted a previously unknown former KGB agent into the post of Russian prime minister and, ultimately, president. The five chapters are devoted to: ? The intense political struggle taking place in Russia between May and August of 1999, culminating in an incursion by armed Islamic separatists into the Republic of Dagestan. ? Two Moscow terrorist bombings of 9 and 13
