Sommario/riassunto	This third book in the Learning to learn for life series offers practical examples for everyone interested in developing better schools and lifelong learners, and has a particular emphasis on Key Stages 3 and 4. This book is based on the Campaign for Learning's Learning to Learn in Schools Action Research Project, which is examining how to help pupils learn most effectively and so give each one the best chance to achieve his or her full potential. This book includes: what learning to learn is an outline of the Learning to Learn in Schools Actions Research Project - what it aims to achieve
