Sommario/riassunto

In a series of more than 50 interviews that span seven decades, many never before seen in print, this is the story of Led Zeppelin told by the people who knew it best—the members of the band. This book shoots down the folklore and assumptions about Jimmy Page, Robert Plant, John Paul Jones, and John Bonham, and presents the band's full history, from when Jimmy Page was playing skiffle to the day the band was honored by the Kennedy Center for their contribution to American and global culture. Led Zeppelin on Led Zeppelin captures the ideas of all of the band's members at the time they created c
