

1. Record Nr.	UNINA9910809000703321
Titolo	Global mobility of research scientists : the economics of who goes where and why / / edited by Aldo Geuna ; acquisition editor J. Scott Bentley ; designer Mark Rogers ; contributors Silvia Appelt [and fifteen others]
Pubbl/distr/stampa	Amsterdam, [Netherlands] : , : Academic Press, , 2015 ©2015
ISBN	0-12-801681-7
Descrizione fisica	1 online resource (331 p.)
Disciplina	338.475072
Soggetti	Research - Social aspects Research - Economic aspects Scientists - Social aspects
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references at the end of each chapters and index.
Nota di contenuto	""Front Cover""; ""Global Mobility of Research Scientists""; ""Copyright""; ""Contents""; ""Contributors""; ""Acknowledgments""; ""Introduction""; ""REFERENCES""; ""Chapter 1 - What Do We Know of the Mobility of Research Scientists and Impact on Scientific Production""; ""1. Sommario/riassunto

Global Mobility of Research Scientists: The Economics of Who Goes Where and Why brings together information on how the localization and mobility of academic researchers contributes to the production of knowledge. The text answers several questions, including "'what characterizes nationally and internationally mobile researchers?'" and "'what are the individual and social implications of increased mobility of research scientists?'" Eight independent, but coordinated chapters address these and other questions, drawing on a set of newly developed databases covering 30 countries, including t
