Sommario/riassunto	The book provides an updated account of justice reform in Afghanistan, which started in the wake of the US-led military intervention of 2001. In particular, it focuses on the role of international actors and their interaction with local stakeholders, highlighting some provisional results, together with problems and

dilemmas encountered in the reform activities. Since the mid-1990s, justice system reform has become increasingly important in state-building operations, particularly with regard to the international administrations of Bosnia, Kosovo, East Slavonia and East Timor. St
