Changing Minds About Race Conclusion: Ironies About The Surveys Questions From The Surveys Questionnaire For The Race And Politics Survey Notes Bibliography Index
Sommario/riassunto	What, precisely, is the clash over race in the 1990's, and does it support the charge of a "new racism"? Here is a brilliant articulation of what has happened, of how racial issues have become entangled with politics-- the process of negotiating who gets what through government action. We now have to understand and cope with a "politics of race."
