evolution of international thinking on Kosovo, 1998-2005; 11 Coming to Terms with the Past: Transitional justice and reconciliation in the post-Yugoslav lands; Index

Sommario/riassunto

Nearly twenty years after it ceased to exist as a multinational federation, Yugoslavia still has the power to provoke controversy and debate. Bringing together contributions from twelve of the leading scholars of modern and contemporary South East Europe, this volume explores the history of Yugoslavia from creation to dissolution. Drawing on the very latest historical research, this book explains how the country came about, how it evolved and why, eventually, it failed. From the start of the twentieth century, through the First World War, the interwar years and the Second World
