Nota di contenuto	Abstract -- Foreword -- Preface -- Acknowledgements -- Positioning disability in Australia -- Philosophy and disability -- Theory and disability -- Disability in Australian history -- New social movements from which disability can learn -- The Australian disability rights movement(s) -- In reflection -- References.
Sommario/riassunto	This book provides the reader with a ground-breaking understanding of disability and social movements. By describing how disability is philosophically, historically, and theoretically positioned, Carling-Jenkins is able to then examine disability relationally through an evaluation of the contributions of groups engaged in similar human rights struggles. The book locates disability rights as a new social movement and provides an explanation for why disability has been divided rather than united in Australia. Finally, it investigates whether the recent campaign to implement a national disability
