Sommario/riassunto	""This book charts new directions in thinking about the construction of new world identities.... The way in which [Bennett] integrates race, gender, and the tension between canon and secular law into his analysis will inspire re-examination of earlier studies of marriage in Latin America and the Caribbean."" -- Judith A.

Byfield Colonial Mexico was home to the largest population of
free and slave Africans in the New World. Africans in Colonial
Mexico explores how they learned to make their way i
