Sommario/riassunto	This book presents a detailed in-depth study, primarily based on primary Arabic sources, of the background, history and the consequences of the rebellion of Muhammad born Abdallah born al-Hasan born al-Hasan born Ali born Abi Talib, better known as al-Nafs al-Zakiyya, in 145/762, during the reign of the Abbasid Caliph, Abu Jafar al-Mansur. It focuses on the relations between the early Abbasid and the different Talibi-(Shii) families - mainly the Hasanis and the Husaynis - and the internal struggles between these factions for the legitimacy of authority.
